Dear parents and guardians of grade 7 students,

On May 24th, William Berczy has been invited to participate in a day of confidence building activities entitled, "Day of Change".

Day of Change is a full-day facilitated workshop for a large number of people (100+), consisting of parents and community members working closely with grade 7 students and staff. The overall goal of the workshop is to combat bullying, isolation, racism and loneliness by exposing the ideology that leads to these feelings.

Day of Change requires 30 adult participants in order to fully facilitate the activities. We would like to invite any interested parents of grade 7 students to join us on May 24th in order to take part in the activities alongside the students. Participants need to commit to joining us for the entire school day.

Please contact the William Berczy office at **(905) 477-2047** if you would be willing to join us for this confidence and character building event. We would appreciate your support and look forward to sharing this unique opportunity with you and your child.

Sincerely,

James Flynn
Principal
