

Solid Colored Puff Stitch Granny Square

### **My Puff Stitch Granny Square**

<http://crochetpatterns09.blogspot.com/2013/08/all-puff-stitch-granny-square.html>

This is a Granny Square made with Puff Stitches. It creates a thick, but soft, Granny Square so it's great for Pet blankets which, for now, is the reason for these. I just made a [14 inch Pillow](#). There also unusually quick. I thought it would take longer then, say, a [Traditional Granny Square](#).

**There are 2 patterns below.** The first is for the Solid colored square and the other is if you want to change yarn every row.

**How to do this Puff St:** [YO, insert hook into next st, YO and pull through ]3 times...YO and pull through all 7 loops. (for a larger puff you can do 9 loops)

For those of you who are familiar with the Puff stitch there is always a chain 1 done after it to secure it. It's included in the instructions. You don't have to worry about remembering to include it.

## **Worsted Weight Yarn**

If you do a 5 Row Square = 37 yards of yarn used

If you do a 6 Row Square = 46 yards of yarn used

If you do a 7 Row Square = 57 ½ yards of yarn used

If you do a 8 Row Square = 70 yards of yarn used

If you do a 9 Row Square = 82 ½ yards of yarn used

If you do a 10 Row Square = 97 yards of yarn used

## **Abbreviations:**

\* = Repeat in between instructions them
